Bring those outlaws to justice!

Take on the guise of bounty hunter Jack Lane and track down the most wanted outlaws as you bring them to justice. Explore a vast open world, capture bandits with your lasso, and challenge the most dangerous outlaws in a good old-fashioned showdown. Keep that six-shooter at the ready, and show those bandits who's boss!

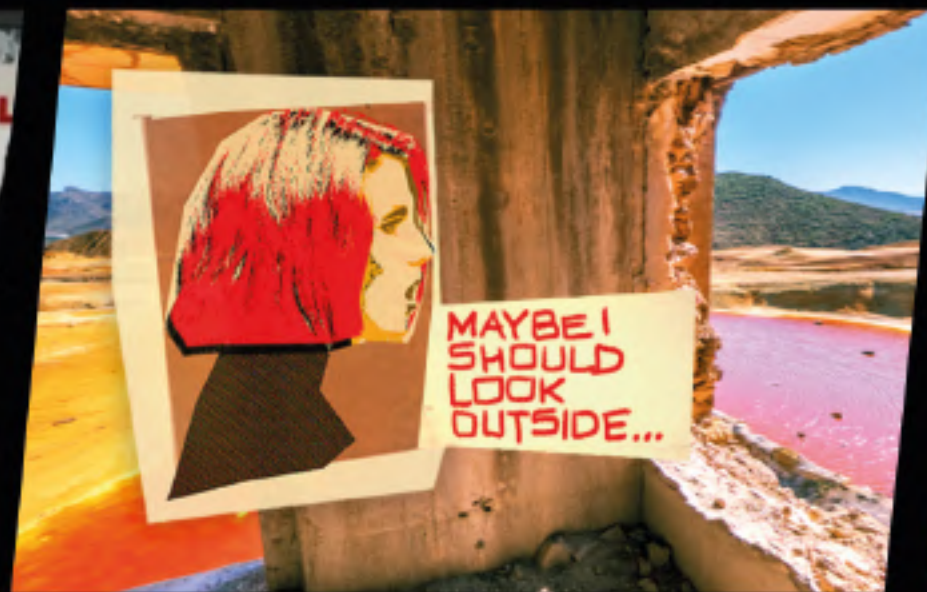

DESOLATIUM

In this graphic point-and-click adventure, you get to investigate the mysterious disappearance of a friend through the eyes of 4 different characters, each with their own characteristics.

Uncover the mystery as you're led toward a dark path filled with Lovecraftian myths and creatures. Are the 'old ones' they read about truly real? Be careful what you ask for, because the answer might lead you to your doom if you don't tread carefully.

SAINT KOTAR

In this story-and-choice driven psychological horror detective game, you play as Benedek and Nikolay – two troubled godly men.

They are in search for their missing relative in an ancient God-devoted town called Sveti Kotar. Here, an unknown presence preys upon the weak and sways on devil worship and witchcraft. Evidence points to your missing relative being involved in the grisly murders and the occult, but what is the truth? Are you also to blame for what happened?

CHARON'S STAIRCASE

In the 1970s, a totalitarian regime known as The Ministry ruled with an iron fist. They committed numerous inhumane and sinister acts during their reign, but those days are over, as they now aspire to join the European Union.

You play as an agent codenamed: 'Desmond', sent by The Ministry who is tasked with retrieving and destroying classified documents from the Oack Grove estate, that reveal the horrifying activities that happened in the past. Your journey, however, leads you to an unpleasant and gruesome discovery – Project Alpha.
